

PBA Digital Concept development

Introduction Program 1st semester fall 2021

Welcome to Digital Concept Development. We are looking forward to seeing you on Wednesday August 25th at 8.30 at Ringvej Syd 104, 8260 Viby J.

The introduction program will run Wednesday, Thursday and Friday, August 25-27th from 8.30-14.00. The following will be a part of the program:

- > Introduction to the programme and general information
- > Meet your teachers
- > Introduction to first semester courses
- > Get to know your fellow students
- > Team building
- > Intro project

We will get back with further information when we get closer in August. Be aware that it is mandatory to attend, and changes may occur.
