study start, August 2020**

Covid-19 right now in Denmark and Aarhus

- Reopening phase 4
- Social distance and hygiene
- Relative openness and normal life
- Face masks in public transport
- Special measures locally

At Business Academy Aarhus: Keep 1 m distance – only one exception

1

General rule: Keep 1 m distance at the Academy.

2

Exception: Students do not have to keep 1 m distance when they are with their permanent class/permanent group in the classroom

3

Stay at the same seat in the classroom and keep as much distance as is physically possible

At Business Academy Aarhus: Help your fellow students – be responsible

4

Keep a high standard of hand hygiene

5

Keep to the right when moving around at the Academy

6

Stay at home if you have any corona symptoms

Help yourselves before you start

- Log on to the Academy's IT systems
- Set up according to the instructions
- Check the Covid-19 guidelines at www.baaa.dk/corona

Best of luck – enjoy!
