Select 'All Floors' – you're able to rearrange the menu. You can place 'All Floors' at the top to make it easier for future use.

Select the floor you would like to view.

If the table icon is green, it means the table is available.

If the table icon is red, there will be an icon in the middle indicating how long ago the table was in use.

The table is available.

If the icon is dark grey, it means someone is currently sitting there.

If the icon is light grey, it means the table was in use 5 minutes ago.

If the icon is nearly transparent, it means the table was in use 10 minutes ago.
