Innovation and product development

- - - - -

In the 2nd semester courses of Food Technology you will need two different lab-coats: one for the laboratories and one for the kitchen.

- 1) Coat – to be worn in the kitchen, labeled on the back 'Fødevareteknologi'**
– **must** be ordered and bought via www.FactumBooks.dk :

Coat for women: Search for: 'damekittel m logo' or ISBN-no 2600000027147

Coat for men: Search for: 'herrekittel m logo' or ISBN-no 2600000027117

- Select 'Shop pickup' and
- state your size and ask for delivery at Hasselager Alle 8, Viby in the comment field as you order the coat.

The coat is delivered at the Academy's department in Viby.

- 2) Coat – to be worn in the laboratories**

– **can** be ordered and bought via www.FactumBooks.dk :

Coat for women: search for: 'damekittel' and pick your size

Coat for men: search for: 'herrekittel' and pick your size

- Select 'Shop pickup'
- ask for delivery at Hasselager Alle 8, Viby in the comment field as you order the coat.

The coat is delivered at the Academy's department in Viby.

If you want, you can have a fitting of lab-coats on the first day of study at the Academy – before you order and pay as described above.
